

Church Vitality Seminar 2020: Making Disciples that Make Disciples

This training experience is designed for all disciple makers of the Lord who seek to build vitality in their lives and ministries.

- Imagine what would happen if your energy and ability to make disciples increased and everyone you disciplined developed a similar passion to disciple others!
- What if the gospel message was not only taught and learned, but it was passed on as a gift again and again?
- This is what the Apostle Paul had in mind in 2Timothy 2:2 *And the things you have heard me say in the presence of many witnesses entrust to reliable men who will also be qualified to teach others.*
- **The goal of the seminar is to pursue the vision of making disciples who make disciples.**
